

# CULTIVATE CHURCH

We are excited to share some wonderful news with you. Cultivate Church is embarking on a significant journey to enhance our facilities, ensuring they meet the needs of our growing congregation and community. These improvements will include:

- **Expanding our worship space** to bring our facilities up to fire/capacity code and in line with our current average attendance.
- **Upgrading our children's ministry area** to provide a safe and engaging space for our youngest members, ensuring our space is in line with local regulations.
- **Improving accessibility** throughout our facilities to ensure everyone feels welcome and included.

These enhancements are not just about bricks and mortar; they are about creating a space where faith can flourish, relationships can deepen, and lives can be transformed. To bring this vision to life, we are launching a capital campaign, and we need your help.

Since we launched our Rock Hill campus in April of 2023, we have baptized sixteen people. We currently host a monthly Feed The Neighborhood where we open our doors and provide free meals and clothes to those in need. We have also partnered with several shelters in the area providing food and goods. In this ministry, we've served over 2,000 meals this year. We invite you to join us in this new chapter, as your support can help us continue the legacy you helped build.

We invite everyone to prayerfully consider making a financial contribution to support these vital improvements. Your generous donation will make a lasting impact on our church and community, ensuring that Cultivate Church continues to be a place of hope, love, and spiritual growth for generations to come.

There are several ways you can contribute:

1. **One-time donation:** A single gift to support the campaign including stock or direct IRA contributions.
2. **Pledge:** Commit to a weekly or monthly contribution over a six-month period.
3. **In-kind donations:** Contribute materials or services needed for the improvements.

Every gift, no matter the size, is deeply appreciated and will bring us closer to our goal. You can make your donation online at Church Center, by mail, or in person at the church.

Thank you for your continued faithfulness and support. Together, we can grow a brighter future for our church and community. If you have any questions or would like more information about the campaign, please do not hesitate to contact us at 803-353-5613.

May God bless you abundantly,

Pastor Zach
